KENOSHA - “We were on the cusp of history. Even though we came up short, I am still overwhelmed with gratitude for all those who supported me and stood by me through this campaign. I love our Kenosha community and I will continue my unwavering pursuit of justice for all.

I’ve been a champion for social justice, a defense attorney, prosecutor, advocate, and guardian ad-litem. This campaign was another incredible opportunity and experience. I still see hope on the horizon for Kenosha and for Wisconsin. I feel empowered and energized to keep making change.”
