Today is the start of the last full week before the primaries. As we learned in November, absentee ballots are incredibly important toward getting out the vote. If you haven't already, request your absentee ballot ASAP. The deadline to request absentee ballots is this Thursday, the 11th. Make sure to return your ballot by 8 pm on Election Day (February 16th). Don't count on the mail delivering your ballot on Monday as the post office will be closed for President's Day. For more information regarding absentee ballots, deadlines, in-person voting, and other questions, go to [My Vote Wisconsin](#).

If you have already voted and returned your ballots, help increase voter participation by telling your neighbors, coworkers, and fellow community members to vote.
