MADISON — Gov. Tony Evers today delivered the Democratic Radio Address highlighting the new [\\$100 COVID-19 Vaccine Reward Program](#) he announced earlier this week and encouraged eligible Wisconsinites ages 12 and up who haven't gotten their COVID-19 vaccine yet to take advantage of this program and do so. Eligible Wisconsinites who receive their first dose of the vaccine from a Wisconsin provider before the program ends on September 6th will receive a \$100 Visa gift card.

*Hey, Wisconsin! It's Governor Tony Evers.*

*We've got big news for you this week, folks: starting August 20th and running through September 6th, Wisconsinites 12 and over who get their first dose of the COVID-19 vaccine will also get a \$100 Visa gift card.*

*You heard that right: a \$100 Visa gift card!*

*The Delta variant is spreading rapidly around the country, and with our kids headed back to school, it's critical that we all do our part to stop the spread and get vaccinated.*

*COVID-19 vaccines are safe, effective, and one of the best tools we have to keep folks safe and continue bouncing back from this pandemic.*

*If you haven't received the vaccine yet, I'm encouraging Wisconsinites who are eligible to get vaccinated as soon as possible.*

*Not only will you get \$100 in your pocket, but you can rest assured knowing that you're helping keep yourself, your loved ones, and your community safe.*

*So don't wait, folks. Get your COVID-19 vaccine and the \$100 Visa gift card as soon as possible.*

*And remember, you have to get your first shot between August 20th and September 6th to be eligible for the gift card.*

*Thanks, Wisconsin. Let's get this done!*
