**WAUTOMA, Wis.** – The Wisconsin Department of Natural Resources (DNR) will temporarily close the Waushara County shooting range on Bicentennial Road in Wautoma starting Sept. 6.

The improvements will be done on backstops, and walking paths will be installed on each range.

A specific opening date is not scheduled as the outdoor updates is dependent upon cooperative weather conditions.

The range will reopen to normal operations as soon as improvements are in place.

[For alternate shooting ranges in the area during the closed timeframe, please visit the DNR website here.](#)
