Daytime lane closures are planned from 9 a.m. to 2 p.m. Wednesday and Thursday (Aug. 25-26) on the eastbound Beltline (US 12/18) from Verona Road to Fish Hatchery Road in Madison. Delays are anticipated on the eastbound Beltline, and drivers should plan ahead and allow extra time through the area. Motorists are also urged to pay attention and slow down in the work zone.

Crews will continue Beltline median construction as part of the Flex Lane project. The daytime lane closures and work operations are weather dependent and subject to change.
