The eastbound US 12/18 (Beltline) ramp to I-39/90 southbound in Madison will be closed nightly from 10 p.m. to 5 a.m. Tuesday through Thursday nights (August 10-12). Motorists must use alternate routes, and there will be no access to the southbound Interstate during the overnight closures due to the long-term loop ramp closure.

The ramp closures - which are weather dependent - will allow crews to shift I-39/90 southbound traffic as part of the ongoing I-39/90 and Beltline interchange project.
