US 14/Commercial Street in Mazomanie, between Walter Road and Brodhead Street, will be closed to all traffic from 8 a.m. to 3 p.m. Monday (May 3). Motorists must use alternate local routes, such as Hudson Street. Through traffic is advised to follow WIS 78 to Sauk City, US 12 then WIS 60 to Spring Green. The closure will allow crews to safely expedite the installation of storm sewer pipes under the highway.

The US 14 reconstruction project is scheduled for completion in late September 2021. Information on this project can be found at projects.511wi.gov/us14/. Follow Southwest Region construction projects on Twitter at [@WisDOTsouthwest](https://twitter.com/WisDOTsouthwest).
