From 9 a.m. to noon Tuesday (Nov. 23), motorists on East Washington Avenue (US 151) and Stoughton Road (US 51) in Madison are urged to use alternate routes to avoid delays. Lane and turn restrictions are scheduled in each direction at the East Washington Avenue and Stoughton Road intersection. Highway maintenance crews will complete pavement repairs at the intersection.

Backups are expected on East Washington Avenue and Stoughton Road. Motorists are urged to plan ahead, allow extra time, and be alert for crews near the travel lanes.

The work operations and lane closure durations are weather dependent and subject to change.
