This week, Texas Republicans proved once again just how extreme and out of touch their party is and moved forward with outrageous laws that attack reproductive and voting rights across the state. In response, the DNC made it clear that the Democratic Party will stop at nothing to protect these rights and stand against Republicans' extreme agenda.

Meanwhile, the DNC wrapped up its "Build Back Better" bus tour this week with stops in Wisconsin, Michigan, Pennsylvania, and New Jersey, where DNC Chair Jaime Harrison and local leaders touted President Biden's success in bringing jobs back, securing a bipartisan infrastructure deal, and providing people in their communities with needed relief through the American Rescue Plan.
