JANESVILLE, WI – The I-39/90 northbound ramps to and from WIS 26/Milton Avenue (Exit 171 A) in Janesville will be closed from 7 p.m. to 6 a.m. Wednesday night (April 21). No left turns will be permitted from the I-39/90 southbound exit ramp (Exit 171 A) to WIS 26 northbound to travel under the bridge. Also during this timeframe, both directions of WIS 26/Milton Avenue will be closed between Morse Street and Kettering Street.

Motorists are required to use alternate local routes during the overnight closures, such as the US 14 interchange (Exit 171B) and Deerfield Drive. Crews will place storm sewer pipes under WIS 26 north of the Interstate.

The work operations, and ramp and road closures are weather dependent and subject to change.

The public is encouraged to stay informed and register for project email updates on the I-39/90 Project website, www.i39-90.wi.gov, and follow the I-39/90 Project Facebook page, www.facebook.com/WisconsinI3990Project. Alerts and updates provided via these sites are **not** intended for use while driving. When driving, your focus should **always** be on driving.
