FOX CITIES, Wis. (March 24 2021) – The Fox Cities Chamber of Commerce is proud to announce the addition of Sara Hathaway and Kristen Greiner to its professional staff in March 2021.

As Director of Talent and K-16 Outreach, Hathaway will guide Chamber efforts to connect to the next-generation talent pool – including students of all ages – and oversee programs aimed at strengthening education in the community, connecting students with resources to develop their career paths, and attract graduating college students across the nation to the Fox Cities.

Hathaway comes to the Chamber from Ripon College, where she had served as Director of Career and Professional Development since 2017. At Ripon, she helped develop the nationally-recognized FLASH Internship experiential learning program.

The Chamber's former Director of Young Professionals and Events, Greiner returns as Director of Events – a role in which she will plan and facilitate large events such as Appleton's Octoberfest and the Chamber's Public Policy Series, among others.

She most recently worked at Lawrence University as the Assistant Director of Campus Services, Conferences and Events, where she was involved with the planning and execution of camps, conferences, and weddings at the Warch Campus Center in Appleton.
