MILWAUKEE – Earnell Lucas, Milwaukee County Sheriff and candidate for Mayor of Milwaukee, today issued the following statement regarding Joel Brennan being selected as the incoming President of the Greater Milwaukee Committee:

“I congratulate Joel Brennan on being selected as the incoming President of the Greater Milwaukee Committee (GMC). Joel has been a leader in our city and state making some of the critical decisions to help Milwaukee and Wisconsin move forward. His selection as GMC President comes at a time when leadership in our region needs to be more strategic and purposeful about finding solutions for today’s pressing challenges. I commend the GMC for making this outstanding selection.

“I also want to thank Julia Taylor for her years of leadership at the GMC. She has been a force in driving discussions and decisions that have helped Milwaukee and the region. She has contributed to the quality of life in our community in many ways. She now deserves the opportunity to pursue her passions and desires. I wish her and her family all the best in those endeavors.”
