Madison, WI- The Main Street Alliance of Wisconsin is thrilled to congratulate Rep. Greta Neubauer on her selection as Democratic Assembly Leader. Over the past year Main Street Alliance has worked closely with Leader Neubauer, from PPP conformity, to the state budget, to working to make sure that small business across Wisconsin can bounce back even stronger than before.

Leader Neubauer is a strong leader and supporter of small business. Her role on the Joint Finance Committee and advocacy around the state budget, criss-crossing our state to make the case for Badgercare expansion, investments in our schools and to help restore the Wisconsin idea was welcome and an important contribution to the debate about our state's values.

We look forward to working closely with Leader Neubauer and her leadership team to see progress in 2022 on the following issues:

- Healthcare
- Caring economy (paid leave and child care)
- Capital access
- Tax fairness

Together, we will make Wisconsin the best state in the country to start and run a small business.
