

# March for Life Wisconsin

Posted on Wednesday, Sep 29, 2021

March for Life Wisconsin to be held Saturday, October 2, 2021 at the Wisconsin State Capitol

Madison, WI - Pro-Life Wisconsin is elated to host its first-ever March for Life Wisconsin beginning at noon on Saturday, October 2. This march will be the first of its kind in the Badger State and is expected to bring together hundreds, if not thousands, of pro-life individuals. Travelers will descend upon the State Capitol from various Wisconsin cities including Appleton, Brookfield, DePere, Fond du Lac, Green Bay, Janesville, La Crosse, Mauston, Oconomowoc, Racine, Rockford, Sparta, and Wausau, just to name a few.

The rally will begin at noon on the State Street steps of the Capitol and feature Wisconsin State Legislators such as Representative Janel Brandtjen (R-Menomonee Falls) and the following acclaimed pro-life speakers: Reverend Brian Walker of Everlasting Light Ministries, Ann Scheidler of Pro-Life Action League, Steve Karlen of 40 Days for Life, and more. Upon the conclusion of the march at 1:30 p.m., participants will travel to Planned Parenthood (3706 Orin Rd, Madison, WI 53704) where a prayer rally will be held to conclude the event.

The March for Life Wisconsin is an opportunity for pro-life individuals in our state to be a voice for the preborn and end the horror of abortion. Dan Miller, State Director of Pro-Life Wisconsin commented, "Pro-Life Wisconsinites are different than any other pro-lifer. We don't fold under pressure. We will never give up until Roe v. Wade has been overturned and the personhood of the preborn child is protected under the law. I encourage you to come to the State Capitol on Saturday, October 2, to make your voice heard!"
