Milwaukee Alderwoman Marina Dimitrijevic Endorses Lieutenant Governor Mandela Barnes for United States Senate

Milwaukee- Today Milwaukee Common Council Member, Marina Dimitrijevic, elected to represent Milwaukee's thriving Bay View and Southside neighborhoods announced her endorsement of Lieutenant Governor Mandela Barnes for United States Senate.

I have known and worked with Mandela for many years together as we serve our community. His deep roots in our city combined with his leadership at the state through crisis and change make him the best choice to defeat Ron Johnson.

As a mother and a member of our Milwaukee Common Council, I want a Senator with a proven record who will fight for working families so that all of our children have an opportunity to succeed. I trust that Mandela will challenge the D.C. status quo and deliver for us on jobs, health care, and climate change because he already has. He's a uniter, not a divider and I proudly endorse him for the United States Senate.
