MILWAUKEE - Milwaukee Public Schools (MPS) will host its Networking and Informational Virtual Event Thursday, February 25th. MPS is seeking to hire school counselors, librarians, nurses, school social workers, speech language pathologists, and teachers who will have a valid Wisconsin teaching license by August 1, 2021. The event will include a virtual job fair where schools will have interactive booths where attendees can meet school leaders. This is an opportunity for prospective MPS employees to meet with school leaders, schedule interviews, and learn more about the hiring process. At least 50 schools and departments will make up the virtual booths for the event.
