Washington, D.C. — We know Wisconsin Democrat Senate hopeful, Alex Lasry, as “[the candidate of Wall Street](#)” and a “[cheater](#),” and now he is doubling down on his “[spoiled rich kid](#)” persona. Alex Lasry’s daddy, Marc Lasry, is a billionaire hedge fund manager and co-owner of the Milwaukee Bucks. Yesterday, Marc Lasry sent [an email to his buddies](#) asking them to help fund his 33-year-old son “Xander’s” campaign.

Daddy to the rescue!

Statement from NRSC Spokeswoman Lizzie Litzow: “Alex Lasry can’t seem to fight his own battles. First, Lasry used his family ties and wealth to raise [more than \\$1 million in the first quarter from the worlds of sports, entertainment and Wall Street](#). Now, Daddy Lasry is sending emails asking for financial support for his son’s campaign. I guess the lesson is clear: if you can’t do anything on your own, just keep asking daddy for help. After all, he’s helped Alex Lasry get every job he’s ever had.”
