**Washington, D.C.** – Today, National Republican Senatorial Committee Communications Director Chris Hartline released the following statement regarding Alex Lasry's announcement that he is running for Wisconsin's U.S. Senate seat:

“Wisconsin doesn't need a spoiled rich kid like Alex Lasry who thinks it's okay to use his wealth and power to cut in line ahead of vulnerable, elderly Wisconsinites to receive the COVID-19 vaccine, as he did [last month](#). Wisconsin deserves better – a Senator who will always put their constituents before themselves, not the other way around.”
