Washington, D.C. - Within the last 30 days, it has been revealed that THREE of the Democrat Senate candidates in Wisconsin were caught dodging and cheating on their taxes - [Sarah Godlewski](#) (the Wisconsin State Treasurer no less), [Alex Lasry](#), [Mandela Barnes](#).

State Treasurer Godlewski was caught failing to pay state income tax for two years, while spoiled rich kid Lasry was caught receiving property tax breaks in TWO states - NY and WI - benefiting him to the tune of \$24,000.

Now, Lieutenant Governor Mandela Barnes joins this not so exclusive club! On Friday, it was exposed that he didn't file state income tax returns during his 2018 campaign for Lt. Gov. The same week he claimed a reason he is running for U.S. Senate is to make certain ["wealthy people and corporations are paying their fair share"](#) in taxes.

Looks like the Wisconsin Democrats are singing the same tune - taxes for thee, not for me!

Wisconsinites deserve better.
