Columbus: Today, conservative candidate Will Penterman received Pro-Life Wisconsin's only endorsement in the Republican primary to fill the vacant 37th Assembly District seat.

This comes as Penterman also received the endorsement of Wisconsin Right To Life and Wisconsin Family Action.

These three endorsements make Penterman the only Republican candidate endorsed by all of Wisconsin's preeminent pro-life organizations. In response, Penterman released the following statement:

"I am honored to be the only candidate with the full backing of the pro-life community," said Penterman. "I am the clear choice for my neighbors in the 37th Assembly District who want a state representative who will protect the unborn and stand up for the most vulnerable in society. Each life matters to God, and must be treated with dignity and respect. I am proud to receive the endorsements of Pro-Life Wisconsin, Wisconsin Right to Life, and Wisconsin Family Action because they recognize I stand out as a leader who will fight to protect the unborn and vulnerable."

Unapologetically pro-life, Penterman is a life-long conservative born and raised in Wisconsin, and is an active member of his church community in Columbus where he serves as Church Treasurer. His wife, Abby, is a middle school science teacher in an area school district.

Penterman is running to fill the vacant 37th Assembly District seat. A special primary election for Republicans will be held on Tuesday, June 15th.
