

Promoting Racial Equity: How the Governor's Budget Measures Up

Posted on Monday, Mar 15, 2021

In this time of political and economic upheaval, Wisconsin needs a budget that invests in racial equity and dismantles systems of oppression that harm people of color. [Join Kids Forward](#) to talk about how the Governor's proposed budget would affect racial equity, and hear from leaders about how public investments can close racial gaps.

When: Wed March 17, 10-11:30 AM

Where: [Register here to get the Zoom link](#)
