MADISON – State Representative Janel Brandtjen (R-Menomonee Falls) issued the following statement regarding the various efforts to investigate the November 2020 election.

“I’m extremely supportive of both the Legislative Audit Bureau’s investigative audit and Justice Gabelman’s investigation. I remain confident that the results of both efforts will confirm what most of us already know, that the voters of Wisconsin deserve a full, top-to-bottom cyber-forensic audit, particularly in the two counties that I have previously requested, namely Milwaukee and Brown counties. I also believe the investigations will show that the Wisconsin Election Commission (WEC) has been negligent in the performance of their duties.”
