WASHINGTON, DC - Today, Congressman Scott Fitzgerald (WI-05) released the following statement after the Wall Street Journal [exposed](#) the Biden Administration's plan to handout as much as \$1 billion to illegal immigrants.

*"It pays to be an illegal immigrant in America. President Biden's latest plan to throw \$1 billion at illegal immigrants begs the question, what don't Democrats want to throw free money at? Of course, the free money is funded by taxpayers," **said Congressman Fitzgerald.** "I'm absolutely appalled at this plan, it's complete insanity that this Administration wants to reward individuals who broke our laws with a billion-dollar payout. This is a slap in the face to hardworking families in Wisconsin and will only further incentivize more migrant surges at the border."*
