OSHKOSH — In response to Governor Evers' veto of legislative Republicans' gerrymandered maps, Rep. Hintz issued the following statement:

“I applaud Governor Evers for vetoing legislative Republicans' Gerrymander 2.0. For the last decade, our state has suffered the damaging effects of Republicans' gerrymandered 2011 maps. The maps passed by legislative Republicans last week would make Wisconsin's gerrymander even worse.

“By vetoing Republicans' rigged maps, Gov. Evers is putting the people of Wisconsin ahead of partisan politics. Wisconsinites deserve a functioning democracy, and that starts with ensuring the people can choose their elected officials and hold them accountable.”
