MADISON - Today, the Legislative Audit Bureau released a review of the 2020 election, which includes 30 recommendations for the Wisconsin Elections Commissions. Rep. Hintz (D-Oshkosh) released the following statement:

“This report confirms that Wisconsin’s 2020 elections were fair, secure and accurate. The report also contradicts the disingenuous lies legislative Republicans have peddled for the last eleven months in their attempt to breed distrust in our democracy.

“There is no doubt legislative Republicans will try to exploit these recommendations to hold onto political power. The people of Wisconsin should see those maneuvers for what they are: a desperate attempt to hold onto power at any cost.

“Instead of targeting and intimidating our local clerks or limiting the freedom to vote in Wisconsin, lawmakers should expand voter access to the ballot box and ensure our local clerks have the full support they need.”
