Madison...Speaker Robin Vos (R-Rochester) released the following statement after the Racine County Sheriff's Office announced the results of an extensive investigation which uncovered illegal activity surrounding absentee ballots at long-term care facilities.

"People's trust in Wisconsin's elections has been tested. Many Wisconsinites feel elections are not safe and secure, and now the Racine County Sheriff's investigation found clear violations and law-breaking within the Wisconsin Elections Commission (WEC).

"Clearly there is a severe mismanagement of WEC, and a new administrator is needed. I am calling for the resignation of Meagan Wolfe as Elections Commission Administrator.

"Cover-ups and complacency with law-breaking are red flags Wisconsinites cannot ignore."
