Washington, DC — The Republican State Leadership Committee (RSLC) congratulates John Jagler on his election to the Wisconsin Senate Tuesday night. Jagler is an experienced leader with a record of ensuring Wisconsin is a great place to live and work. “The RSLC is proud to have supported John Jagler in this special election.

Senator-elect Jagler is a champion of conservative policies that will reduce regulations, lower taxes, and get Wisconsin back to work. With Democrats controlling Washington, it’s more important than ever that we have strong Republican leadership in the states,” said RSLC President Dee Duncan. “The RSLC looks forward to continuing to be involved in races like this so that we can grow the future of our party and stop socialism from spreading to the states.”

Jagler’s special election victory comes after the RSLC spent \$62,000 to support his candidacy. The win continues the historic success the RSLC had in 2020 where it beat back \$500 million in combined Democrat state spending to defend all 59 Republican-led legislative chambers, flip two more, and add two Republican trifectas.
