Sen. Johnson Statement on S.1

WASHINGTON - On Tuesday, U.S. Sen. Ron Johnson (R-Wis.) released the following statement on the Democrats' S.1 power grab:

“The ‘For the People Act’ is another Orwellian-named bill that has nothing to do with voting rights but everything to do with consolidating Democrat control over government and our lives. Republicans want to restore confidence in our elections by making it easy to vote but hard to cheat. It seems like Democrats primarily want to make it easier to cheat. Why else would they propose eliminating voter ID laws, require ballot harvesting and drop boxes, make the FEC a partisan agency, and make it harder to maintain accurate voter files? They would also force taxpayers to help fund the campaigns of candidates they oppose. An accurate name for this monstrosity would be the ‘For Democrat Politicians Act.’”
