“Look at what Governor Evers vetoed, instead of what he claimed he vetoed.

“He vetoed the authorization of drop boxes. He vetoed improving election assistance in nursing homes. He vetoed requiring election observers be placed where they can actually observe. He vetoed saving live recordings of election canvassing. These bills improve election transparency and access for everyone – not limit it.

“I’m starting to think that even Governor Evers doesn’t believe what he’s told to say. His rhetoric doesn’t match reality. Repeating the same lie over and over doesn’t make it true.”
