Today I am giving my full endorsement to Tom Nelson for United States Senate. I served with Tom in the Legislature and know him to be a leader who truly cares about working families and core Democratic values like healthcare, fair wages, and workers' rights and protections. His time as Outagamie County Executive shows that he can work with people of different viewpoints to get things done; he understands what our communities, and our state, need to progress. I believe Tom Nelson is the candidate who can speak to all Wisconsinites, whether urban, suburban or rural, and he is the candidate who can retire Ron Johnson. Join me in supporting Tom Nelson for U.S. Senate.
