Lehmann Plans to Seek Appointment

Sheriff Dave Mahoney has served Dane County with integrity, compassion, and professionalism for 40 years. His unwavering commitment to the public he serves and to the men and women of this department will have a positive impact on our County and the Sheriff's office for years to come.

Sheriff Mahoney leaves big shoes to fill. My plan is to seek appointment by the Governor to serve the remaining two years of the Sheriff's term. I want to put my 25 years of experience in law enforcement to work in order to build on the success we've had in reducing the population in the jail, work with all stakeholders on rebuilding trust between communities of color and law enforcement, and find effective, innovative solutions to make Dane County safer and stronger in the years to come.
