

WisOpinion Poll: Should Wisconsin increase the minimum wage for tipped workers?

Posted on Monday, Mar 22, 2021

Legislative Democrats have sponsored a bill meant to raise the minimum wage for restaurant workers who depend upon tips.

Tipped workers in the state may be paid a minimum wage of as little as \$2.13 or \$2.33 per hour depending on the worker's age and length of employment.

The bill, introduced by Sen. Chris Larson, D-Milwaukee, and Rep. Francesca Hong, D-Madison, would automatically raise tipped workers' minimum wage to the current minimum wage of \$7.25 per hour.
