Madison...Speaker Robin Vos (R-Rochester) released the following statement after Wisconsin Institute for Law & Liberty (WILL) released its report reviewing the 2020 election.

“I appreciate the hard work WILL put in to review the 2020 election after many Wisconsinites expressed concerns about the fairness of our election process. The review confirms there were issues the legislature can and should address. Our reforms must come forward and be signed into law. The governor cannot turn a blind eye when procedures and even laws are not being followed.”
