**Madison...**Speaker Robin Vos (R-Rochester) released the following statement in response to the Kyle Rittenhouse verdict.

“Today’s unanimous verdict may be shocking for some, but for many others, it is proof that our justice system works. The right to a trial by a jury of your peers is a fundamental part of the checks and balances in our country.

“Let’s hope politicians and activists who disagree with the verdict don’t use this as an opportunity to sew more division and destruction in our community. For those disappointed in the outcome, I urge peace and unity over violence and destruction.”
