NEENAH — The National Weather Service is predicting a winter storm will arrive in our region Thursday, bringing freezing rain, sleet, heavy snow and gusty winds. Dangerously cold temperatures are expected to follow into next week.

Patient and team member safety are our top priorities. We will take the following actions at the **COVID-19 testing sites** listed below:

Thursday, February 4

- ThedaCare Physicians-Neenah - CLOSED
- ThedaCare Physicians-Wautoma - CLOSED
- ThedaCare Medical Center-Wild Rose - CLOSED
- Christ the Rock Community Church, Menasha - CLOSED
- Gateway Respiratory Clinic- Testing moved indoors

Friday, February 5

- TCP-Neenah - CLOSED
- Gateway Respiratory Clinic- Testing moved indoors

Saturday, February 6

- Gateway Respiratory Clinic- Testing moved indoors

Sunday, February 7

- Gateway Respiratory Clinic- Testing moved indoors

Monday, February 8

- ThedaCare Physicians-Neenah - CLOSED
- Gateway Respiratory Clinic- Testing moved indoors

With car side swabbing services at our Gateway Respiratory Clinic moving indoors, patients should use the main entrance to access symptomatic and asymptomatic testing Thursday through Monday, February 4-8.

For those unsure about their symptoms and want more information about whether or not they should seek testing, they can access the ThedaCare online symptom checker at [ThedaCareCovid19.org](https://www.thedacare.com/covid19). After completing a brief questionnaire about their symptoms, individuals will be given more information about next steps to take, including how to schedule a test. The site also includes information about COVID-19, testing, online care options and other important news and updates.
