WASHINGTON, DC - Today, Rep. Tiffany (WI-07) sent a letter to Senator Ron Johnson (R-WI) and Senator Tammy Baldwin (D-WI) urging both Senators to oppose the \$1.9 trillion "American Rescue Plan Act of 2021."

The legislation contains roughly \$1 trillion in spending not directly related to pandemic relief, including many special interest provisions and bailouts for big spending state and local governments, which will effectively be financed by taxpayers in fiscally responsible states such as Wisconsin.
