Dane County - Urban Triage is incredibly excited to announce the opening of a second location at 147 South Butler Street Downtown Madison.

Urban Triage has grown exponentially over the last 19 months. We would not be able to do the work without the dedication of our community and Co-Conspirators. We are humbled by the opportunity to scale up our services and programming.

Please join us to tour our second office space with CEO Brandi Grayson and Director of Operations Quetta Rogers. We'll be hosting an open house on Friday, October 1st, from 1:00 to 3:00 pm at 147 S. Butler Street. Come have light snacks and tour our second location.
