## **President Donald Trump Endorses Derrick Van Orden**

PRAIRIE DU CHIEN, WI – Today, the 45th President, Donald Trump, announced that [he is endorsing Derrick Van Orden](#) in Wisconsin's 3rd District. He noted Derrick's commitment to veterans, securing our borders, and law enforcement as key reasons why Derrick needs to be elected to Congress in 2022.

President Trump released the following statement endorsing Derrick:

Derrick Van Orden is running for Congress in Wisconsin's 3rd Congressional District. Derrick is a former Navy SEAL Senior Chief who bravely served and defended our Country. He strongly supports our Military, Veterans, Law Enforcement, and he will always fight for Secure Borders, the Second Amendment, and our incredible Farmers. Derrick has my Complete and Total Endorsement!

Derrick Van Orden thanked President Trump with the following statement:

President Trump inspired millions of Americans by reminding us that this is the greatest nation on earth and worth serving. He carried the 3rd District in 2016 and by an even higher margin in 2020. I am incredibly proud to receive his endorsement for my congressional run.

He worked tirelessly to ensure that the future for our children and grandchildren will be a bright one by demonstrating the strong leadership that is desperately needed in America and I will do the same when I am in congress.

We are seeing the disastrous results of the radical policies in Washington DC; skyrocketing inflation, a manmade humanitarian crisis at the border, and rising crime across the nation.

I will work tirelessly to stop Nancy Pelosi's tax and spend leadership in the House and I am looking forward to having you all on The Team.
