PRAIRIE DU CHIEN, WI – Derrick Van Orden, Republican Candidate in Wisconsin's 3rd District and a retired Navy SEAL, served 2 tours in Afghanistan in 2003 and 2009. The Biden Administration's failed withdrawal from Afghanistan has plunged the nation into chaos, enraging the nation and in particular Americans who served in Afghanistan over the last 20 years.

Derrick has been holding the Biden Administration accountable this week, highlighting the flaws of this withdrawal plan and demanding answers on the failed withdrawal and future plans to vet refugees to ensure they are not agents of the Taliban.
