PRAIRIE DU CHIEN, WI - Derrick Van Orden joined [WSAU's Feedback](#) yesterday to talk about the failures of the Biden Administration in managing the supply chain crisis, inflation, and rising heating costs across the nation, and especially in Wisconsin. Derrick put it in no uncertain terms that the Biden Administration is driving this nation into the ground, and Americans are taking note as we enter 2022.

Take a listen to Derrick's interview on Feedback [HERE](#).
