PRAIRIE DU CHIEN, WI – Derrick Van Orden, Republican Candidate for Congress in Wisconsin's 3rd District, raised more than \$1 million in Q3 of 2021, an incredible figure showing the unity behind his campaign to end one-party rule in Washington and bring real leadership back to the 3rd District.

This comes after raising \$753,996 in Q2, the most of any Republican challenger in the country.

Derrick released the following statement on the impressive fundraising quarter: Ending Joe Biden and Nancy Pelosi's radical one-party rule in Washington starts here in Wisconsin's 3rd District. Everyday, I meet with Wisconsinites who are tired of Washington politicians putting themselves above the people they represent. I can't thank the people of the 3rd District enough for putting their faith in me to represent them and continue to drive this movement forward.
