

# Webinar Series: PPP Updates for Your Small Business

Posted on Friday, Mar 5, 2021

The Small Business Administration has some key changes to the Paycheck Protection Program (PPP) which will be available for a limited amount of time to ensure America's smallest businesses get exclusive access.

If you are a small business owner with ***fewer than 20 employees***, or are self-employed; there is new information for you.

Please join us for a series of webinars hosted by the U.S. Small Business Administration, Public Private Strategies Institute, & other stakeholders.

**SBA has added new general sessions for all business owners today and tomorrow-these will also be streamed on Facebook Live. See below for details.**
