“The theme for this year Chicken Burn is winning Milwaukee County and locally.

The GOP establishment has ignored Milwaukee and other problems for too long and the result has been losing 11/12 elections since 2016. Failing to solve problems in education, election fraud, crime, higher ed, free speech, and other issues has festered into now, very large problems. Conservatives who attend the Chicken Burn will walk out with a plan and a vision for a better Milwaukee and state. And that must start by getting involved in local government, school boards and painting a based-conservative vision for the future.”
