Wisconsin Right to Life's Political Action Committee has endorsed David Varnam and State Senator Patrick Testin in their bids for Lieutenant Governor of Wisconsin.

"David Varnam has made his pro-life beliefs and dedication to protecting innocent lives a foundational aspect of his campaign, and we are confident he will defend these values if elected." stated Gracie Skogman, legislative/PAC director of Wisconsin Right to Life.

Skogman continued, "Throughout his time in the State Senate, Patrick Testin has been a champion for life and has lead the effort to pass multiple pro-life bills that would protect the lives of unborn children with Down Syndrome and other congenital conditions. We are confident he would continue to be a steadfast defender of the pro-life cause as Lt. Governor."
