MADISON, Wis. – The latest episode of “WisBusiness.com: The Show” spotlights Dr. Timothy Nelson, the research and innovation director for the Mayo Clinic in northwest Wisconsin and a leader in fostering R&D opportunities for students and faculty at the UW-Eau Claire.

Also, Tom Still presents “Tech Metrics,” which chart key indicators and events in the Wisconsin economy. He’ll also preview upcoming Tech Council webinars and opportunities, such as the [webinar on Jan. 26](#) on a growing commercial pathway for intellectual property in Wisconsin runs through research and development engines in the Milwaukee region, both private and public and the [Wisconsin Governor’s Business Plan Contest](#), which deadlines Jan. 31.
