MADISON Wis. — The American Rescue Plan — signed into law by President Biden and passed through Congress without the support of a single Wisconsin Republican — continues to deliver for families across every zip code and industry in Wisconsin.

This past week, on top of the billions of dollars he's invested in the state so far thanks to the American Rescue Plan, Governor Evers dedicated another \$50 million of these federal funds to support farmers and working families across the state.

Here's what every single Republican in Congress voted against:
