(MADISON) — **Democratic Party of Wisconsin Chair Ben Wikler** issued the following statement in response to Saturday night's tragic shooting at the Oneida Casino complex in Ashwaubenon:

"All of us at the Democratic Party of Wisconsin are heartbroken for the victims of the Oneida Casino shooting and their families. As we begin to emerge from the pandemic and look forward to a measure of normalcy in our lives, this attack is yet another reminder that senseless acts of gun violence have become brutally normal, in Wisconsin and around the country. We don't have to live like this. We can do better, and we must."
