Johnson has been lying about COVID-19 vaccine:

- Johnson pushed [fringe and unscientific COVID-19 treatments](#), spread anti-vaccine misinformation, including [questioning why the general public should be vaccinated](#), and boasts about not getting the vaccine, all of which goes directly against the medical community's guidance.
- Johnson [has used unscientific and unsubstantiated reports to lie](#) about side effects and deaths related to COVID-19 vaccines.

But here's the truth:

[Fact](#): "Nearly all COVID-19 deaths in the U.S. now are in people who weren't vaccinated."

[CDC:](#) "Get vaccinated regardless of whether you already had COVID-19. Studies have shown that vaccination provides a strong boost in protection in people who have recovered from COVID-19."

[Fact](#): Since the vaccine was introduced, the number of COVID-19 deaths in Wisconsin has drastically decreased.

[Fact](#): Since the vaccine was introduced, the number of COVID-19 infections in Wisconsin has drastically decreased.
