The US 12/18 westbound ramp to I-39/90 northbound in Madison will be closed starting Wednesday (April 7) until late May 2021. Motorists must use alternate routes such as the signed detour using the Beltline and US 51/Stoughton Road interchange.

The long-term closure will better accommodate traffic operations of the US 12/18 eastbound ramp to the northbound Interstate during this construction stage. The ramp closure and work operations are weather dependent and subject to change.

Stay informed and register for project email updates on the website, www.i39-90.wi.gov, and follow the project Facebook page, Facebook.com/WisconsinI3990Project.
