[Madison, WI] – During the election for Speaker of the House at the start of the 117th Congress, Ron Kind threw his support behind Nancy Pelosi after opposing her in previous elections. Following Kind's vote, the Republican Party of Wisconsin released the following statement from Chairman Andrew Hitt:

“Pelosi poured money into Western Wisconsin to save Ron Kind in 2020. We now know exactly what that money bought her: a vote for Speaker of the House. Kind followed Pelosi like a lost puppy during the ridiculous impeachment sham and during the Democrat games with the USMCA. Ron Kind once again proved he's Pelosi's puppet with his leadership vote today.”
